

Misty Edwards, I am Yours

Though I sleep, my heart is awake
Though Its night, on You Ill wait
Its been a long night, and I am weary
Its been a long time, and I am hungry
So Ill wait in the stillness again
Ill wait in the quiet again
For when I heard Your voice
When You said my name
When I heard Your voice
My heart it yearned
In the middle of the night
In the middle of the night
In the middle of the night
My heart it yearns
Though Youre far away, still Im here to Say
"I am Yours, I am Yours"
And when You feel so far away, still I am here to Say
"I am Yours, I am Yours"
And I pay my vows, no turning around
I burn the bridges that cant be found
For when I heard Your voice
And You said my name
When I heard Your voice
My heart it yearned
For You.
