

# Mixed Emotions, Sweetheart - Darlin' - My Deer

No more rainy days of sorrow and no crying in the night

You are shinin' into my life  
my love  
my angel from above.

Lisa  
my love  
you can turn rainy days into sunshine

And I adore you  
my sweetheart - darlin' - my deer.

Lisa  
my love  
every song in my heart is a love light

And they begin when my sweetheart - darlin' - my deer.

Lisa  
my Lisa  
I don't make you cry;  
I love to love you forever.  
And when you hold me  
hold me so tender

I can  
I can remember how it began  
I feel it again.  
And it's like flying  
flying away like birds in the sky

I love you  
for you I would die.

No more rainy days of sorrow and no crying in the night

You are shinin' into my life  
my love  
my angel from above.

Time after time our love is as deep as the ocean

No doubt about you  
my sweetheart - darlin' - my deer.  
Day after day I can tell that I'm no mixed emotions

Truly I know you  
my sweetheart - darlin' - my deer.

Lisa
