

# MNEK, At Night (I Think About You)

In the morning I'm ok.  
Just fine in the afternoon  
But at night I think about you  
Like an echo in my brain  
I wonder if you hear it too  
Coz at night I think about you  
And it's just madness  
How love can meet you to sadness  
I'm writing weekend to much of us

At night I think about you  
Even when I'm not supposed to  
Baby, sleeping without you just ain't right  
Trust me I've tried it 1000 times

At night I think about you  
Coz I can't shake you off my mind  
And I don't know what to do  
At night I think about you
