MNEK, The Rhythm

If I let the rhythm get to me then I don't know what I would be Think I just might lose my mind If I let the rhythm get to me, it will take all of me I'll lose track of space and time

Oh yeah yeah yeah yeah yeah yeah, fever pitch Just like a shot running through my veins Oh yeah yeah yeah yeah yeah yeah, flick the switch And you'll ignite an eternal flame

If I let the rhythm get to me then I don't know what I would be Think I just might lose my mind And if I let the rhythm get to me, it will take all of me So I can't let go this time (time, time, time...) This time!

If I let the rhythm get to me /2x

If I let the rhythm get to me then I don't know what I would be Think I just might lose my mind And when it takes over me, it starts emotionally I lose myself in flashing light

If I let the rhythm get to me /2x

It's the sweetest sensation
That I've ever known
If he's a beast, I need saving
The feeling only grows
So I know what I need whenever I hear that beat
It's a whirlwind, it's so sublime
But if I let the rhythm get to me
I have no clue what I'll be
Baby, you'd think I'll lose my mind!

If I let the rhythm get to me /5x Get to me, get to me, get to me
