

# MØ, Brad Pitt

You don't have to be born into success  
To get the blood pumping underneath my summer dress  
You don't have to try so hard  
I'm impressed  
Sweep me off the floor baby you the best

All lights on low when you walk in the door  
It's a hollywood moment, I like it  
All this time  
With my head in the sky  
Didn't see what was in front of my eyes

If we never make it I'm ok with it  
I'm your Juliette, you're my Brad Pitt  
Dancing in the moonlight you look so fit  
I'll keep spinning around for ya, spinning around for you

If we fall in love can we make it stick?  
I'm your Juliette, you're my Brad Pitt  
Sing me any song, baby it's a hit  
I'll keep spinning around for ya, spinning around for you
