

# MØ, Nights With You

Girl; you're gorgeous  
You know you might not always feel like it  
But you are  
And You are worth it  
Are you sure you are?  
I'll dye my hair  
In a crazy colours  
Just to make you smile

I'll take you out tonight  
For a fun  
Don't care about your boyfriend  
Waking up alone  
I'll take you out tonight  
Leave it at home  
Don't care about your boyfriend  
Waking up alone

I just wanna spent the night with you  
Do it like your mother said, not to do  
Every time I hear the phone ring  
I feel the same feel thing/2x  
I just wanna spent the night with you  
with you, with you

lose attention  
Even though the world is mad  
And you feel out of control  
But you're the best at  
When you let it off  
Be banging you head  
And putting your hands up in the air

I just wanna spent the night with you  
Do it like your mother said, not to do  
Every time I hear the phone ring  
I feel the same feel thing/2x  
I just wanna spent the night with you  
with you, with you
