I grab tha telephone, but I won't call. Mmm, don't believe it

your not around, without your love somethin steaily puttin me
down. I can't resist. I can't believe I feel like this. There I
go again in those circles, circles. We got along, I shoudn't ah
did you wrong, it didn't have to be this way (have to be this
way). And if you come back to me, I won't have worth one word to
say (hey now). Hey now, I'm in tha mood for you and only you, I
swear that my love is true. Ooh, and if ya don't give me another
chance, then honey what will I do?

Chorus

Touch my lips, all inside. Callin the hips of a pleasure ride.
To ecstasy, oh baby. I want you here with me. I ready, love me
now. Come and explode. Come and hold me, as I sing this song, I
can do you all night. (Love me now, I'm trapped in the heat of
ecstasy)....
