

# Mobb Deep, Hey Luv (Anything)

shorty, come here

listen listen listen

112 .. ooo .. love you .. need you .. yea .. thats right

hey luv, i wanna hold you and talk to you  
put my arm around your shoulder and walk with you  
Be the one that'll serve, my word to you  
i know that ni\*\*a don't be doin what he suppose to do  
i got much more to give than homie do  
And you so fine, i just wanna roll wit you  
you're a queen bitch, you need a king close to you  
you need a ni\*\*a like me to just flow with you  
and i gotta try cuz anything is possible  
and you just might see things the way i do  
i just wanna get next to you, be friends with you,  
burn hundreds, wake up in the bed with you  
i love when you walk, how that body moves  
pardon my mouth, Im just being honest boo  
i will pay for air time just to vibe with you  
kisses and hugs until the next time u swing thru

(chorus)

(so many things)

so many things that i wanna do

wanna kiss

wanna touch

wanna taste, never teasing you ( oO baby)

cause i only wanna be with you ( girl you kno )

anything that you need ( i got it )

million dollar shopping spree ( i got it )

anything that you want (i got it) ( you kno .. ask me )

ma i want you in the worst way  
and i aint thirsty or nothing  
but when i see something boo  
i go hard for the one hit, myself  
ima take you out to eat  
and kill any misconceptions that you gotta mobb deep  
throw that bug in your ear  
and its about time cause a ni\*\*a like me  
been wanting you for years  
bump heads, here and there  
but never got the chance best of those who wait  
once i get up in the pants  
aint no one minute man  
you suppose to be with him, better change those plans  
anything you gots to do  
lie to screw  
must be out of his monkey ass mind  
how the hell he gettin tired of you  
let me light that fire that your body desire  
get you back to being sexy, single, free like my  
cuz i treats 'em right  
you know how i rock it  
where ever you're at, girl  
im on the next flight

(chorus)

sit back i got this baby girl you straight  
fo' sho, rest assure you in the arms of strength  
baby i'd die for my love ones make no mistake  
im not that man, i keep my gun on bait  
and its a cold world, your man don't understand your pain

and i know your getting tired of the same ol' same  
he expect to keep you locked with five karat ring  
lets cop that old real while 112 sing

Anything you want and anything u need  
Just pick up the phone and call on me  
Anything u want and anything you need  
Just call on me  
And I'll come running

(chorus 2x)

(112, Mobb Deep Let's Go... dah lalala )
