Hey Young Luv Young Luv Young Luv

Train that ass
Put it on curfew

Left it in the hotel Must have been we don't love em Before you consider it foul Let me put you on cousin 88 had a vision on some rap shit Not knowin it would happen Down the road gold status

But back then
There was this one little chick
That I wanted to hit get with
The whole shit
14 layin my G

Little me

I had to have her

Had a nigga like me losin Zs

No Sleep

F**ked up in the head over her physique

Even thought about goin downtown

I know there's niggas out there that would have felt the same way

It was the freak in me

Actually crossed my mind frequently

Finally and once again

We bumped heads

A stank gesture

Suggested that I was dead like a crackhead

Didn't even give a nigga real

But f**k it

What can I say

I tried to put my little bid and kept livin

Nigga move on

You a man

No matter what it take we're gonna hold the upper hand

Shufflin beats

Six years later son it was done

The Infamous Mobb Deep

Left you stuck off the Shook Ones

And then funniest thing after a show backstage

I peeped chick

Who didn't give me play back in the day

It was all love

Hold no grudge gave her a hug

Whats the drilly baby

She was like you

nah whats up

You know me

Doin my thing tryin to live

Asked if I was busy could I chill with her in her crib

No days

But we can chill up in the Ramada

Payback is a bitch

Once I get it there I got her in the telly

E& J dick popped the cherry

Left the little hoe with no dough and got jetty

Bless the God boo

You know how we do

It's self explainable

Undomesticatable

But highly we capable

The turntables beat you in your own game

Enough said

Another victim caught up in fame's web
