

Mobile, Hands Tied

If there's a way yeah there's a will
Gotta get out, yeah I gotta break out of this place
If there's a way before I waste another day
I hope see the end of it
Gotta get out, yeah I gotta break out of this place

Walk, walk straight up ahead
Stop, stop when I say you can
Talk, talk say it again don't stop, stop 'til I say you can
Walk, walk straight up ahead
Stop, stop when I say you can
Talk, talk say it again don't stop

If there's a way there's gotta be a will yeah
I think you got to get out think you gotta get out of my face
You're getting in my way, you think you've got the right to say
I'll never hear the end of it
Gotta get out gotta get away gotta get out gotta get away gotta get away

Walk, walk straight up ahead
Stop, stop when I say you can
Talk, talk say it again don't stop, stop 'til I say you can
Walk, walk straight up ahead
Stop, stop when I say you can
Talk, talk say it again don't stop

Walk, walk straight up ahead
Stop, stop 'til I say you can
Talk, talk say it again don't stop, stop 'til I say that you can walk,
Stop 'til I say that you can talk, talk, say it again don't stop, don't
stop, don't stop, don't stop
