

# Mobile, Out Of My Head

Come on over, let me watch you  
Let me hold you, let me touch you

Right or wrong I should've stayed up 'til the break of dawn  
Ever since our eyes did meet  
I long to see  
Your eyes suprised me like a moon on a cowboy movie screen  
I never found out what it means

I must be out of my head  
It must be something i said  
So come on i'll waste my life  
You think I'm out of my head  
But I'm romantically dead  
So come on I'll waste my life on you

Come on over, let me watch you  
Let me hold you, let me touch you

I'm right, you're wrong  
You should have come to me before too long  
You'll never leave my sight again  
To keep you then  
Your eyes deny me like the sun on a night sky movie scene  
And I just don't care what it means

I must be out of my head  
It must be something I said  
So come on I'll waste my life  
You think I'm out of my head  
But I'm romantically dead  
So come on I'll waste my life on you

And I hate to be the one  
The one to drop the bomb  
You wouldn't wait around  
But I'll be watchin' you  
Woooooo You! Yeah you  
Woooooo You! Yeah you

I'll watch your every move  
You can't know we can't hurt you  
You got no choice I got you

I must be out of my head  
It must be something I said  
So come on I'll waste my life  
You think I'm out of my head  
But I'm romantically dead  
So come on I'll waste my life  
I must be out of my head  
It must be something I said  
So come on I'll waste my life on you  
You think I'm out of my head  
But I'm romantically dead  
So come on

I'll waste my life, I'll waste my life, my life on you
