

# Mobile, Tomorrow Starts Today

Taking it down, So I want more  
Leave it around, so I won't know  
Tell me how could you be sure  
Turn it turn around  
And turn it upside down

I gotta know, give me a reason  
I gotta know, give me a reason  
I gotta know, give me a reason  
You messed up your last chance

Tomorrow starts today  
Tomorrow starts today  
Even if it breaks you

Taking your time, 'cause I won't know  
Leaving me like, I'm safe from you  
Tell me how could you be sure  
Turn it turn around  
I turn it upside down

I gotta know, give me a reason  
I gotta know, give me a reason  
I gotta know, give me a reason  
You fucked up your last chance

Tomorrow starts today  
Tomorrow starts today  
Let's blow it all away  
I know this for sure I know I can't be wrong

Stop pretending your so good  
Stop assuming that I would  
Stop believing that I could  
Stop I'll walk away from you

Tomorrow starts today  
Tomorrow starts today  
Let's blow it all away  
I know this for sure I know I can't be wrong  
And I think you know I knew it all along  
I know this for sure I know I don't belong
