

Mobius Band, Heaven

What you said's a joke?
I guess I must've missed it.
About the holy ghost
cause we don't have no limits
You wanna have a talk
in fact let's not speak at all
I will smile and nod
and you can take it all
Anything's all right (x4)

I don't really care
You can clean me out
Anything's all right (x2)

Throw it out the window
It's not what I said
Just forget I even showed
A hint of blood
A hint of blood to you
A hint of blood (x2)

Me I'm not impressed
The miracle of oblivion
The stereo full of death
Blood for any incision
buttons that you press
the miracle of obliviousness
You can educate
for your schools of business

I don't know what I want
I don't know what I want it's true
I don't know what I want
I don't know what I want
I don't know what I want it's true
Happens all the time
Yea I know it's a crime
I don't know what I want it's true
I don't know what I want
I don't know what I want
I don't know what I want it's true

Throw it out the window
It's not what I said
Just forget I even showed
A hint of blood
A hint of blood to you
A hint of blood (x6)
