

Moby, Disco Lies

You said you want me that was just a lie (just a lie)
Just a lie (just a lie)
You said you love me that was just a lie (just a lie)
Just a lie (just a lie)

All I needed was someone who would keep me warm at night
You tried it baby, it didn't work
And now I know that this is gonna be the end

Oh, But you lied!
Oh, But you lied!
Oh, But you lied!
But you lied, But you lied!

You said you need me that was just a lie (just a lie)
Just a lie (just a lie)
You said the truth once that was just a lie (just a lie)
Just a lie (just a lie)

All I needed was someone who would keep me warm at night
You tried it baby, it didn't work
And now I know that this is gonna be the end

Oh, But you lied!
Oh, But you lied!
Oh, But you lied!
But you lied, But you lied, But you lied!

Oh, But you lied!
Oh, But you lied!
Oh, But you lied!
But you lied, But you lied!

All I needed was someone who would keep me warm at night
You tried it baby, it didn't work
And now I know that this is gonna be the end

Oh, But you lied!
Oh, But you lied!
Oh, But you lied!
But you lied, But you lied, But you lied!

Oh, But you lied!
Oh, But you lied!
Oh, But you lied!
But you lied, But you lied! But you lied!

Oh, But you lied!
Oh, But you lied!
Oh, But you lied!
But you lied, But you lied! But you lied!
