

# Moby, I'm Not Worried At All

all round me burdens  
seem to fall  
I'm not worried at all  
I'm not worried at all

I don't worry  
all day long

all round me burdens  
seem to fall  
I'm not worried at all  
I'm not worried at all

just I'm not evil  
I just can not see  
he told me to pray  
just for me

all round me burdens  
seem to fall  
I'm not worried at all  
I'm not worried at all
