

Moby, Let's Go Free (live)

Let's
Let's
Let's go
Let's
Let's
Let's go
Let's go free
And I was
I found it in my heart
Not back in my home lair
When I get these no more
What I couldn't understand
That I was so f**ked
I was so afeared
I wanted to get f**ked
What did I know?
Now it's all dark
And my heart is all that's living
No this thing can't hold myself

What love is going here now?
And I was all lost
Yeah I was so f**ked
You broke my heart
When I want
Now it's all f**ked
I wanted to be safe
I wanted some care
Like everything is always
And I was so afeared
I was so f**ked
I wanted no longer
Won't get me love
Love me love
Need a life
Need a life
Need a life
Need a life
