

# Moby, Temptation

Heaven  
A gateway to hope  
Just like a feeling  
I need, it's no joke

And though it hurts me  
To see you this way  
They traded by words  
I'd never heard  
Too hard to say them

Up, down, turn around; please don't let me hit the ground  
Tonight I think I walk alone to find my soul desire to go home  
[2x]

Oh it's the last time, it's the last time  
Oh it's the last time, it's the last time

Each way I turn  
I know I'll always try  
To break the circle  
That has been placed round me

From time to time  
I find our lost  
Semeaning  
That was urgent

To myself  
I don't believe

Oh, up, down, turn around; please don't let me hit the ground  
Tonight I think I walk alone to find my soul desire to go home  
[2x]

Oh it's the last time, it's the last time  
Oh it's the last time, it's the last time

And I have never met anyone quite like you before  
And I've never met anyone quite like you before  
[2x]

And I've never met anyone quite like you before  
Oh, up, down, turn around; please don't let me hit the ground  
Tonight I think I walk alone, to find my soul desire to go home

And I never met anyone quite like you before  
Up, down, turn around; please don't let me hit the ground  
Tonight I think I walk alone, to find my soul desire to go home

Up, down, turn around; please don't let me hit the ground  
Tonight I think I walk alone to find my soul desire to go home  
[2x]
