

Mocca, It's Over Now

I know that youre very nice
Never ever tell me lies
Youre always there to comfort me
And cheer me up when I am down

* However that is it
Youve got youre world and Ive got mine
And after all that weve been through I must say

Reff :
Sorry honey, my heart is not for you..
Sorry baby this love is not for you
Sorry honey, my heart is not for you..
Sorry baby this love is not for you
Its over now..
