

# Modern Day 84, All That You Can Be

You pushed me down with all your stupid regulations.  
But now you force me to dedicate my life to your nation.  
Where is the freedom that you constantly glorify?  
Your restrictions push me aside.  
You tell me that i have no choice.  
Just fall in line to your Demanding Voice!  
All That You Can Be!  
I don't want to be!  
All That You Can Be!  
My Life's on the Streets!  
Who gave you the right to try to claim my soul?  
Escaping your grasp is my only goal.  
You try to take me under your wing.  
To kill, to fight for the American Dream.  
I won't be a pawn in your immoral game.  
A mindless weapon of the of the USA!  
All That You Can Be!  
I don't want to be!  
All That You Can Be!  
My Life's on the Streets!  
So Mr. President it's time for registration  
Mandatory to citizens, I'd choose alienation.  
Sign your life to a worthless cause.  
Be crushed within their greedy claws.  
It doesn't matter if they're wrong or right.  
Just take up your arms and prepare to fight!  
All That You Can Be!  
I don't want to be!  
All That You Can Be!  
My Life's on the Streets!
