

Modern English, Heaven

Heaven
I'm in heaven
When I close my eyes
I'm in heaven

The conversation's dead
There's someone in my head
In and out of time
In and out of time

Heaven
I'm in heaven

When I close my mind
I'm in heaven

Everything is mad
The best I've ever had
In and out of time
In and out of time

Heaven
I'm in heaven
When I close my eyes
I'm in heaven
