

Modern Talking, All I Have

Don't Take Away My Heaven - Don't Take Away My Heart
Close Your Eye's To Seven - But, Do Not Tear Apart
It's An Endless Fire - It's An Endless Dream
I Feel Love And Desire - Oh, It's Really Love It Seems

All I Have, All I Need And All I Want Is You Tonight
All I See And All I Feel Is Just Holding You So Tight
All I Miss, All I Dream And All I Want Is Your Sweet Love
All I Miss Is You - Where Ever I Go And Whatever I Do

My Love Is Getting Stronger - My Love Is Here To Stay
I Can't Wait No Longer - Baby, Make My Day
Oh, Tonight I Am Lonely - So Lonely Without You
Know That Your The Only And That My Heart Is True

All I Have, All I Need And All I Want Is You Tonight
All I See And All I Feel Is Just Holding You So Tight
All I Miss, All I Dream And All I Want Is Your Sweet Love
All I Miss Is You - Where Ever I Go And Whatever I Do

Oh, It's Now Or Never - Is It No Empty Way?
I Will Stay Forever - Baby, What Can I Say?
I Miss You Like Crazy - Where Did You Sleep Last Night?
Nobody Know's You Baby - Should'nt You Stay By My Side?
