## Modern Talking, Blinded By Your Love

I was blinded by your love I was blinded by your love I couldn't talk to you last night Friends and strangers side by side I was blinded by your love

Oh God knows We're walking through a fire Sound of breaking hearts around Oh you know, we're burning in desire City of the lost and found In a world of broken dreams We will build a better life You're my Venus in blue jeans Only the strong survive So come on baby, come on baby

Dreams are made Made of deep emotion Love will feed a brand new world Baby, you need the shadows and devotion Living in a better world There's a heavy weather girl The clouds disappear The masquerade of loneliness Is drawning too much tears Come on baby, come on baby
