

Modern Talking, Everybody Needs Somebody

Oh everybody needs somebody, baby (every needs someone to love)
Anytime I see you, I get crazy (anytime I kiss you, can't get enough)

Tell me, is this love, a burning fire
That's burning fast, but then it's gone away
Oh tell me baby, do you feel desire
I'll give you everything, I'm too shy to say
I don't wanna lose you girl
I won't let you go
Oh I don't wanna lose you girl
My love will show

Oh everybody needs somebody, baby
Everybody needs someone to love
Anytime I see you, I get crazy
Anytime I kiss you, can't get enough

Oh you, you are a symphony
Oh you, you are my destiny
Girl you, you are the venus of my heart

Tell me babe, do you find another
Another man, who's breaking your heart?
Oh tell me baby, is he your new lover
And will you say, love will break apart
Oh this is now the end of love
I won't let you go
Oh why'd you break this lonely heart
Say it isn't so

Oh everybody needs somebody, baby
Needs someone to love
I get crazy
I can't get enough

Oh you, you are a symphony
Oh you, you are my destiny
Girl you, you are the venus of my heart
