

Modern Talking, Love Is Like A Rainbow

When I Look Into Your Eye's - I Can See A Part Of Heaven
Never Felt Like This Before - In My Life.....
Love Shines In Many Colors - Love Is Shining For Us
Believe Me - That My Love Is Real.....

Love Will Lift You Up And And Let You Down
The Light Behind The Shadow Will Tell You
That I Will Never Go.....
If You See A Rainbow In The Sky
I Will Promise That You'll Never Cry - Again
Those Tears From Heaven.....

Every Hour And Every Minute
I Will Touch You And I Will Feel It
Always Looking For Someone Like You In My Life
I Cover You With Sunlight
I Will Take Your Hand And Hold You Tight
If Raindrops - Will Darken The Sky.....
