## Modern Talking, Mrs Robota

Oh everyday and just everynight I see your face babe on my laptop screen You're high and low and just between Oh everyday and just everynight I send an e-mail to the dream factory I asked if you're reality But more and more i like you more than just before Oh la da die, oh la da da Only a vision, Mrs. Robota Oh, oh, oh, la da die, oh la da da Only a computer, without a heart Oh Mrs. Robota - only a fiction, right from the starts It's impossible Oh every morning, when i wake up I push the bottom for a brand new game Can't live without you, it's a shame I hear your voice, and i see your face I can't believe, oh babe you blow my mind There is no answer, i can find And more and more i like you more than just before
