

Modern Talking, New York City Girl

She's living in east wood - in flat 65
She hasn't that money - to live a good life
And she just can't wait - to saturday night
In New York, New York, New York
She working from monday, til friday night
She hasn't that money to live on eastside
And she just can't wait til it's saturday night
See all the city the city lights
In New York, New York, New York

New York City girl - the girl is mine
New York City girl - give her some time
New York City girl - oh here she comes
New York City girl - oh she wants fun
She's a New York City lover - New York is the place to go
And I swear there is no other - and no better place I know

Oh on lower east side - she's working til 5
She's working so hard - she has to survive
And she just can't wait - to saturday night
In New York, New York, New York
On 5th Avenue, she look for her dreams
They are so far, but sometimes it seems
She lives her life, just on her own
She need the city, that's her home
In New York, New York, New York
