

Modern Talking, Princess Of The Night

Oh, I'm waiting
In the darkness
Hesitating in the darkness
Follow all your shadows in the night
I'm feeling it's burning
The point of no return, babe
It's easy for two
Baby, it's so hard for one

Princess of the night
I'm drowning in the light
Princess of my dreams
'Cause fire I feeling

Princess of night
What have you done
Baby, I know our day will come
Princess of night
Princess of day
When the night will fade away

Got a date, babe
With an angel
With a hot child of the city
Follow all your shadows in the night
Oh, somewhere, there's someone
When two hearts are beating as one
It's easy for two
It's so hard for one
