

Modern Talking, Sexy sexy lover

Oh I tell you once and I tell you twice
I'll be there for you in your paradise
Oh please stay with me and I'll show you what I feel
You're the nearest thing to heaven girl
Baby just for you, fly around the world
Oh everything I'll do, I do it just for you

Chorus:

My sexy, sexy lover, oh tell me there's no other
Tell me there's no other, deep in your heart
My sexy, sexy lover, I wanna be your cover
There's no other, who's breaking apart
Oh my sexy little lover, swear there is no other
I'll feel alone, when I'm coming home
Oh my little sexy lover, tell me there's no other
Just when I'm down, need you all around
I am not a man, who wants to be alone
There's a place for us, we can't go wrong
Oh baby you and I, we're flying one mile high
We are more than two, you are more than one
And my love for you is burning like a sun
Oh every thing I'll do, I do it just for you
