

Modern Talking, Walking In The Rain Of Paris

Oh baby I tell I never say never (ce soir*, ce soir)
I know you deserve what love just can do (ce soir, ce soir)
And this is the final call for you angel (oh angel, oh angel)
This is the final call to you

I'm not walking in the rain of Paris
I don't promise, that I'll die for you
And I never said I wanna marry, that is true
But baby I swear you, my love is true

Tonight oh I miss you like I miss the sunshine (ce soir, ce soir)
Babe, you and I - we can fly - one mile high (ce soir, ce soir)
Oh don't tell a lie about me, my angel (oh angel, oh angel)
And I won't tell the truth on you
