

Modest Mouse, Alone Down There

How do, How do you do?

My name is you

The flies, they all gather around me and you too

You can't see anything well

You ask me what size it is, not what I sell

(Ha ha ha)

The flies, they all gather around me and you too

Well I don't want you to be alone down there, to be alone

Down there, to be alone

Well I don't want you to be alone down there, to be alone

Down there, to be alone

But the devil's apprentice, he gave me some credit

He fed me along, and I'll probably regret it

I don't want you to be alone down there, to be alone

Down there, to be alone

Aaahh...

I don't want you to be alone down there, to be alone

Down there, to be alone

Yeah, I don't want you to be alone down there, to be alone

Down there, to be alone
