

Modest Mouse, Dramamine

Traveling swallowing Dramamine
Feeling spaced breathin' out Listerine
I'd said that I'd said what I'd tell ya
And that's you've killed the better part of me
If you could just milk it for
Everything
I've said what I've said and
you know what I mean
but, I still can't focus on
Anything
We kiss on the mouth but still
cough down our sleeves

Traveling swallowing Dramamine
look at your face like you're killed in a dream
And you think you've figured out
Everything
I think I know my Geometry, pretty damn well
You say what you need so you'll get more
If you could just milk it for
Everything
I've said what I said and you know what I mean
but, I still can't focus on anything
