

Modest Mouse, Long Distance Drunk

Hang it up now or never

Hang it up again

(Hang it up now or never)

Hang it up now or never

Hang it up again

Hang it up now or never

Hang it up again

Doesn't seem like anything you're saying or doing or doing

Is making any sense

Long distance drunk

Long distance drunk

Long distance drunk

Oh yeah oh yeah

(8 AM and someone calls you on the telephone)

Long distance drunk

(You want to be by yourself and all alone)

Long distance drunk
