

Modest Mouse, Sleepwalkin'

I fell in love and
I needed a roadmap
To find out where you lived
So excited now

Sleepwalking, 'cos I'm sleepwalking

The white trash boys
Listen to their headphones,
Blasting white noise
In the convenience store parking lot
I hung around there
Wasting my time,
Hoping you'll stop by.

'Cos I'm sleepwalking, I'm sleepwalking

A mutual friend's parents
Left town for a week,
So we raided their liquor stash
And walked down to the riverside.

Sleepwalking, 'cos I'm sleepwalking
