

Modest Mouse, Whenever You Breathe Out, I Breathe In

Hey, haven't seen you around in a while [x4]
I didn't go to work for a month
I didn't leave my bed for eight days straight
I haven't hung out with anyone
'Cause if I did, I'd have nothing to say
I didn't feel angry or depressed
I didn't feel anything at all
I didn't want to go to bed
And I didn't want to stay up late
When you're living your life, well, that's the price you pay
Whenever I breathe out, you're breathing it in
Whenever I speak out, you're speaking out
I didn't go to work for a month
I didn't leave my bed for eight days straight
I haven't hung out with anyone
'Cause if I did, I'd have nothing to say
