

# Moe Bandy, For Tears To Come

Step by step you been leaving any day now you'll be gone  
Leaving me with your mem'ry and I'll miss you for tears to come

And it's killin' me to know that I can't hold you  
All the ties that bind have somehow come undone  
Maybe someday I will love another but I'll miss you for tears to come  
[ harmonica + steel ]  
I'll get by somehow without you after all life still goes on  
But I know I can't forget you and I'll miss you for tears to come

And it's killin' me to know...  
Yes I'll miss you for tears to come
