

Moe Bandy, It Was Always So Easy (To Find An

I drove through the park and I searched all the bars
where I made out with love too many times

(Chorus)

It was always so easy to find an unhappy woman
till I started looking for mine
Some beer drinking devil is holding my angel
and I know what he'll do if he's my kind
It was always so easy to find an unhappy woman
till I started looking for mine

The note on the door said I warned you before
What I'd do if you cheated one more time.
