

# Moe., Wind It Up

Be on my side  
I'm on your side  
This time and every time  
We are the same kind  
We share the same mind

Do it today  
Meet me halfway  
Meet me where the summer sets  
Meet me where the water falls  
Meet me where the music calls  
And we'll give the clock another wind

I'll let you in, that's hard, I know  
We'll wind it up  
Then let it go  
I think you'll agree  
We're better together  
Than we are on our own

Meet me halfway  
I've got more to say  
There's no time like the present  
We are the same kind  
We're of the same mind  
Let's give the clock another wind

I'll let you in, that's hard, I know

But that's not enough  
We'll wind it up  
Then let it go  
I think you'll agree  
We're better together  
Than we are on our own
