

Mogwai, Yes! I Am A Long Way From Home

'Cause this music can put a human being in a trance like state and deprive it for the sneaking feeling of existing. 'Cause music is bigger than words and wider than pictures. If someone said that Mogwai are the stars I would not object. If the stars had a sound it would sound like this. The punishment for these solemn words can be hard. Can blood boil like this at the sound of a noisy tape that I've heard. I know one thing. On Saturday, the sky will crumble together (or something) with a huge bang to fit into the cave.
