

Mohair, Disarray

I'm in disarray
Leave it
I'm sure it will happen anyway
Just not today
You keep my mind at bay
Leave it all locked up inside

I need a holiday
This kind of thing
Doesn't happen everyday
Well, not to me, anyway
You lead my mind astray
Don't keep it all locked up inside

Yeah! Give a little love
Get a lotta love home
Yeah! Sing a little love
Everyone your love knows
Yeah! Live a little
Look at how your love grows
Yeah! Give a little love
Get a lotta love

I'm in disarray
Believe me
I know it'll happen anyway
Maybe not today
You keep my mind at bay
Leave it all locked up inside

Yeah! Give a little love
Get a lotta love home
Yeah! Sing a little love
Everyone your love knows
Yeah! Live a little
Look at how your love grows
Yeah! Give a little love
Get a lotta love

Yeah! Give a little...
Get a lotta ... home
Yeah! Sing a little ...
Everyone your ...
Yeah! Live a little
Look at how your love grows
Yeah! Give a little love
Get a lotta love

Yeah! Give a little love
Get a lotta love home
Yeah! Sing a little love
Everyone your love knows
Yeah! Live a little
Look at how your love grows
Yeah! Give a little love
Get a lotta love
