

# Moi Dix Mois, Eternally Beyond

Like an ogre you are devouring hearts  
Under the mask your vile face smiles  
Starving demons without salvation  
Could you hear melody from the execution block

Tsumi to  
Kudaketa seishin (kokoro) ga  
Samayoi aruitemo  
Yuresarenu omoi subete ga  
Mune wo tsukisashite

My spirit, leave the poisoned abyss, draw from the deep lake of infinity

I know suffering isn't celestial nor earthly but supreme sanctuary, origin of imagination  
New life is born in this world ruled by chaos
