&lt;/lyrics&gt;

as if wandering within illusion  
like so you steer toward the realm of despair  
everything that is reflect in the eyes might as  
well be destroyed  
everything even the dreams might as well be lost  
to feel each other in exploration  
tonight the banquet of darkness  
dancing in the moonlight  
the darkness of night closing in  
in swaying thoughts, a kiss of crimson  
in deep sleep like such you are  
in this realm reflected in the eyes, the end is  
marked  
even in this realm of the dreams the end is marked  
tonight the banquet of darkness now  
dancing in the moonlight  
the darkness of night closing in  
in swaying thoughts, a kiss of crimson  
in deep sleep like such you are  
together in eternity with you my beloved  
dancing in the moonlight  
the darkness of night closing in  
like this led in a moonlit night  
a kiss of crimson
