Pessimiste
cruel Pessimiste ,
to conceive, shadow of melancholy.
that of delusion and reality,
to pressingly approach, that of despair ,
Pessimiste of the dominion,
satirical theatrical of pretense.
the dream that flaps its wings,
toward the direction of oblivion,
even the cruel reality(dream) ,
the bird that cannot fly, toward the direction of incandescence ,
the cruel dream(the present), everything .
dancing madness,
cruel Pessimiste ,
to conceive, shadow of melancholy .
the dream that flaps its wings ,
toward the direction of oblivion ,
even the cruel reality ,
the bird that cannot fly, toward the direction of incandescence .
cruel...
fluttering wings, toward collapse, toward
you...
even the transient dream ,
controlled by the cruel false god.
the birds which cannot fly .
