Moist, Million

Borrowed in black you are mine Dont make it easy don't make it hard Dont make it so simple again So so easy Bound like a child yo uare mine I cant defend you I wont complain I wont go so so quiet again Go so gently again A million a million more For you to burn Promised your mother I'd write Id kill you quickly Id keep you calm

Id make it all so simple again All so quiet Here once the morning was bright But violence changes changes the light And now I've grown so empty again Grown so empty again A million a million more For you to burn I can be cold dear I can be cold as you wanted Living is hard here When I'm just the whore that you wanted me to be A million a million more For you to burn
