

Mojo Nixon, You Can't Kill Me

You can't kill me
I will not die

Not now not ever

No never

I'm gonna live a long, long time

My soul raves on forever

Time has come
We will not wait

We storm the gates at dawn

Busting out of here

Into the world

Sing our victory song

You can't kill me
I will not die

Not now not ever

No never

I'm gonna live a long, long time

My soul raves on forever

(Aim-A-Flame Johnson)
I stand alone

Out on the road

I know flesh will rot

But the renegade and crazy free

Will not forgot

You can't kill me
I will not die

Not now not ever

No never

I'm gonna live a long, long time

My soul raves on forever

(Ya know, there's people out there who want to ban books
they want to ban my records

they want to tell me what I can drink

and where I can drink....

And a bunch of pissed off people

pontificating about the evils of rules and regulations

(McDonalds, politics, etc.)

You can shoot my body full of holes

but you can't kill the spirit of rock 'n roll
