

Molella, Baby

Downtown, near the river
a little man is movin' into the grass
I can't see what is doing, I'm for too
but i wanna see, oh he's dancing
I don't care he's insane
but I'm curious too
I can't wait another minute
oh my pressure is going down
I just wanna be your very motherfucker dancer

Baby!
I wanna slip into your jungle
I'm your boogie man
I'm going down in to the rumble
Yeah yeah yeah
