

# Molella, Baby

Downtown, near the river  
a little man is movin' into the grass  
I can't see what is doing, I'm for too  
but i wanna see, oh he's dancing  
I don't care he's insane  
but I'm curious too  
I can't wait another minute  
oh my pressure is going down  
I just wanna be your very motherfucker dancer

Baby!  
I wanna slip into your jungle  
I'm your boogie man  
I'm going down in to the rumble  
Yeah yeah yeah
