

Molly Hatchet, Stone In Your Heart

Is this how it ends?
Wer'e strangers again
It's over but you won't explain
No kiss no goobye, not one final lie
Just cold to the bone from the ice's that's runnin' through your veins
You have stone in your heart.

Chorus:

Na Na Na Na Na Na Na Na Na stone in your heart

Na Na Na Na Na Na Na Na Na

What is keepin' us apart?

Stone in your stone heart.

Don't you recall the fire and all

I want you in my arms every night

But now you forget

No passion, no sweat

You poured out your love

And your'e tellin' me your well is dry

You have stone in your heart.

Chorus:

Na Na Na Na Na Na Na Na Na stone in your heart

Na Na Na Na Na Na Na Na Na

What is keeping us apart?

Stone in your heart.

Run away and hide

Keep it inside

Make believe it never happened

All your'e goona do is keep fooling you

Some day you'll find love's been passin' you by.

Will you or fight?

Let's do it right

I'm gonna get it over now

But no feelin' left

No pride to protect

You don't want my love

I don't need you in a wedding gown

You have stone in your heart
