

# Moloko, Remain The Same

Change my face  
But it won't erase  
I changed my heart  
When my soul changed hands  
What if, when I find myself?  
Made new plans.  
I don't really like myself?  
Underhand.  
What if when I look inside?  
Change my name.  
I don't like much what I find?  
But I remain the same.  
Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.  
Change my course.  
But I can't change my ways  
D I V O R C E.  
Will you count the days  
What if, when I find myself?  
Change my tune.  
I don't really like myself?  
But I stand on shifting stand.  
What if when I look inside?  
When I change my name.  
My heart was changing hands.  
Baby you'll never understand.  
Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.  
If I, if I could just  
Slip from the net  
Try to forget  
I hang my head  
In regret  
If I, if I could just  
But it's too much  
Slip from my skin  
I try again  
Another new beginning  
Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.  
Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.  
Change my name I remain the same.  
Change my name I remain the same.  
Change my name I remain the same.  
Change my name I remain the same.  
Try again, another new beginning.  
Change my name I remain the same.  
Change my name I remain the same.  
Change my name I remain the same.  
I remain the same, I remain the same, I remain the same.
