

# Momus, I Want You, But I Don't Need You

I like you, and I'd like you to like me to like you  
But I don't need you  
Don't need you to want me to like you  
Because if you didn't like me  
I would still like you, you see  
La la la

I lick you, I like you to like me to lick you  
But I don't need you  
Don't need you to like me to lick you  
If your pleasure turned into pain  
I would still lick for my personal gain  
La la la

I fuck you, and I love you to love me to fuck you  
But I don't fucking need you  
Don't need you to need me to fuck you  
If you need me to need you to fuck  
That fucks everything up  
La la la

I want you, and I want you to want me to want you  
But I don't need you  
Don't need you to need me to need you  
That's just me so take me or leave me  
But please don't need me  
Don't need me to need you to need me  
Cos we're here one minute, the next we're dead  
So love me and leave me  
But try not to need me  
Enough said  
I want you, but I don't need you

I love you, and I love how you love how I love you  
But I don't need you  
Don't need you to love me to love you  
If your love changed into hate  
Would my love have been a mistake?  
La la la

So I'm gonna leave you, and I'd like you to leave me to leave you  
But lover believe me, it isn't because I don't need you (you know I don't need you)  
All I wanted was to be wanted  
But you're drowning me deep in your need to be needed  
La la la
