

# Monaco, Black Rain

You make my life seem so unreal. And when  
we touch there is a tenderness I feel. I never  
think about the way things used to be. Or how  
this love could bring an end to you and me.  
I've missed my chance or so it seems. I stare  
into the face that occupies my dreams. I've  
traveled round the world and never seen a thing.  
And I never thought that love could fall like  
rain into the sea. And I never thought an end like  
this was meant for you and me.  
We'll be together we'll live forever. To see  
if your love burns like the sun. I'll keep on  
searching it's now or never. To see if your love  
burns like the sun.  
And I never thought I'd turn around and  
change the way I feel. And I never thought that  
love could bring an end to all that's real.  
We'll be together we'll last forever. To see  
if your love burns like the sun. I'll keep on  
searching it's now or never. I know that our love  
has just begun.
